### **Testimony in Support of**

### **S.B. No. 318, 'An Act Concerning Private School Transportation'**

Before the Education Committee

March 2, 2016

As a parent at SS. Peter and Paul School, I support S.B. No. 318.

This school is important to my family and I because my child is not only receiving the best education, he is also learning morals. This is not offered in the public schools and it is important to me that my son continue to receive this. I also feel it is important to continue to allow buses for our children, this helps tremendously for my family. Allowing a reimbursement to towns who voluntarily provide inter-district transportation to elementary school students that live out of town will help our school. This would allow students everywhere the opportunity to receive the best education that our school offers!

For these reasons, I urge the committee to support S.B. No. 318.

Sincerely,

Tamara Lanier-Hanna
